Magrath Knots IBL Playoffs

Fresh from the victory over the Magrath crew on Monday night, our local hoop warriors travelled to the Garden City Wednesday in hopes of finishing off the stubborn Rockets and move into the finals with the 77's of Bob Lindsey. However things didn't go off as expected as the hosts came out on top by a 67-57 score after a thrill packed forty minutes of play.

The absence of Stevenson was evident although the Rockets were given a run for their money. Al West chalked up 25 points for high scoring honors followed by Larry West with 11 and Pete Shaw with 8.

Jim Matkin canned 16 points while Tyler Alston and Wes Rice collected 13 and 12.

Magrath burned up the trail in the opening stanza and when the ten minute whistle blew they were out in front 17-11.

The Garden City quintet continued at their rapid rate while the Jacks were never more than lukewarm. By half time the score board read 38-27 for Magrath.

The Jacks came into their own in the third quarter by evening the score at 45 apiece when the thirty minute bell sounded.

With the West clan in the showers the lead that they had built up in the opening minutes of the final soon began to dwindle and before the confused visitors knew what had happened time had come round leaving them on the wrong end of a 67-57 score.

77's Force Final Encounter

A determined bunch of Lethbridge showed the powerful Union Jacks that they had what it takes to make a ball club at the Sports Center Tuesday night as they made the IBL playoffs come right down to the wire with a 71-66 verdict.

An ex Union Jacks and UOFA Golden Bears, Reed Erickson sparkled in the 77's win as he hit the hemp for 18 points followed by vast Walt Harris with 17. Sham Stevens another boy who learned his ball here in Raymond clicked for 15.

Ray Stevenson got high scoring honors for the losers by whipping in 23 counters through that invincible hole. Al West who was definitely not hitting his usual clip had to settle for 20. Speedy Al Nalder came through for 9 points.

Raymond notched the first points of the game but soon had to relinquish their lead as the 77's of Bob Lindsay found the hoop and went ahead for a first quarter tally of 20-15. Both clubs battled hard for head room for Raymond and the smart shooting Erickson combined with Walt Harris's rebounds were still behind to the tune of a 39-36 score.

In the latter half of the game things began to look a bit sunnier for the Sugar City quintet as they went ahead although the lead was shaky and neither club could hold onto it the Jacks managed to be on the best end of a 53-52 score when the thirty minute buzzer sounded.

Fouls were a big factor in the final which gave the 77's their win by no less than 8 points by the free toss method. The blame cannot however be put on any one factor, the refereeing could have been better but then so could the Jacks. At any rate the locals ended up on the short end of a 71-66 score.

Jacks Move Into Finals With 77's

The Raymond Union Jacks earned the right to move into the finals of the IBL last night with the Lethbridge 77's by downing the Magrath Rockets in a 71-66 victory.

The Rockets were no match for the determined Jacks quintet. With classy Ray Stevenson back in their ranks the hosts had no trouble chiefly cause of snappy passing and sharp shooting. Al West once more knew exactly where to put that pill and did so in the form of 29 points. Stevenson, fresh back from a hitch in the BYU canned 24. Pete Shaw hit the hemp for 12 and Monte Dahl's effort paid off with 10 points.

Square Dance Notes

We had a good Roundup at the High Gym with Stoney at the helm and Square Dancers from Picture Butte, Lethbridge, Stirling and Home Town. He really put us through the mill. Stoney told me to welcome any couples who were interested to come out and h would personally guarantee them a good time or he would refund their money. So if you like to try Square Dancing come on out and see what your feet can pick up. Round Dancin can be a lot of fun after you learn a few. At first you concentrate so hard you can't say "boo" to your partner but after 3 or 4 months you can do a little relaxing. Anyone interested come on out and see for yourself the enjoyment there can be in Square Dancing. Hope to see you out.

—H.C. Pat Granger.

Charlene Sommerfeldt Has Role In Edmonton Play

A Raymond girl, Charlene Sommerfeldt, will play one of the principal roles in the coming production of Studio Theatre at the University of Alberta in Edmonton.

The Studio Theatre, Edmonton's only theatrical producing group, will present "The Braggart Warrior" as its third production of the year starting February 17th and continuing through until February 27th. The play has a large cast of students from the acting classes in Education 136.

The slapstick comedy of this play (written over two thousand years ago) reminds one of the type of humor found in movies of Abbot and Costello, Martin and Lewis and Laurel and Hardy. Bob Hope has often used this play as a counterpart for some of his films.

The story concerns a so-called gallant soldier who carries a girl away from her home. Her own true lover is on a mission abroad for the State; so his slave sets out to break the news to him. The slave is captured while on the water and sold to the Braggart Warrior. Here he meets his master's girl.

The slave plots with the girl and sends for his master to arrange a rendezvous for them in the house of a neighbor. The foolish watchman, set to guard her by the Braggart Warrior, discovers her embracing her real lover, but is cleverly fooled into believing she is someone else.

The captured slave convinces the warrior that his neighbors' wife is madly in love with him and that he had better plan to get rid of the girl he has carried away. After much coaxing and many gifts he persuades the girl to leave, the warrior set out to make love to his new woman only to be punished for his foolishness.

Miss Sommerfeldt, a first year Education student at the University, will play the role of "Acroteleutium", a courtesan, in this great comedy by Plautus. The production will play during Varsity Guest Weekend at the University.

The damage claim of \$6.50 was ordered paid with default of total payment being one month in jail, to run concurrently with previous sentence.

Douglas Lee appeared next in the dock and was given two months in the Lethbridge jail for breaking and entering, a charge of willful damage to public property was dismissed by the magistrate for lack of evidence.

The trouble all commenced when seven young men set out to celebrate on liquor they purchased from Morikichi Shigematsu, who pleaded guilty to the charge of selling liquor, and received a fine of \$300 plus court cost of \$4.50. Being the first offence for Mr. Shigematsu only the minimum penalty was imposed with a warning for the future.

Gordon Smith was given one year suspended sentence and ordered to pay a fine of \$10.00 plus court costs of \$4.50 and claim of \$6.50 or thirty days in jail when pleaded guilty to charges of house breaking, breaking and entering the Raymond high school, doing willful damage to public property. Smith was given on week to pay his debts to the court. When he asked for two weeks time Magistrate Jones said he thought one week would be time enough.

Deloy Meldrum and Wesley Hedenstrom were each given suspended sentences of one years time and ordered to pay the cost of the court, \$4.50 each for breaking and entering the Raymond high school. Charges of doing willful damage to public property were dismissed for lack of evidence against both young men.

In passing suspended sentence magistrate Jones read the requirements no less than three times in order that there would be no misunderstanding on the part of the boys.

For one year they will report to Constable Wilson Rolfeon, who had brought them to justice, at his pleasure. They will not be on the streets any time after the hour of 9 P.M. six days a week, on Friday they may be attendance at a party or social with leave to be out until 12:30 A.M. They will not spend any unnecessary time on the streets or in public places any time during the coming year.

Charges of doing willful damage to public property, the Raymond High School were dismissed against Donald Adams and Richard Coppleters for lack of evidence as the magistrate said it could not be proven that they through beer bottles which smashed the school windows.

Appearing in the same court but with no connections with the youths Mike Szpendyk of Raymond pleaded guilty and paid a fine of \$15.00 and \$4.50 cost for being intoxicated in a public place.

A small Ontario village has reminded our elected bodies that government is for the people, and that the public's business should be public, notes The Financial Post.

Port Stanley (population 1,491) was invited to enter closed talks with the municipal councils of St. Thomas and London.

The village council endorsed a motion that they should attend, but under a measure of protest because the press was to be excluded.

Responsible government rest on intelligent public opinion which a free press helps to engender. The people whom we elect to rule over us would do well to remember that.

SPORT'S CORNER

(Continued from page 1)

Wes Rice was the best point-getter of the evening for the Rockets but, because he was covered like a blanket by Larry West, he got all but occasional break away, lay-up, or long shot by the free toss method. Jim Matkin, who has been the main spark of life in the Rocket's bid for IBL league playoff berth, connected for 18.

The biggest crowd since the Tanner Trophy Game was on hand to make the old Opera House groan for relief. The rabid fans saw both clubs fight for every point they got in the first five minutes, but after that the Rockets were covered too closely and the Jacks came up with some spectacular plays, mostly due to Al West's hook shots and lovely plays on the part of a real star, Ray "Snit" Stevenson. The end of the opening frame saw the score board read 20-15 in favor of the locals. The hemp sang a pleasant tune to the Raymond fan's ears as West and Stevenson plastered it with shot after shot. When the visitors finally found out what had happened it was too late to do much about it and the half time score read an outrageous 50-20.

In the third canto play see sawed back and forth but the Jacks were never less than 20 points ahead but rather remained near 30 or 35 points advantage. A final last minute spurge shot the score up to a ridiculous 74-31. In the final round the Jacks punched home 24 points while the Magrath quintet were able to connect for 30 markers. Big little Monte Dahl dominated the play as he bombarded the hoop for 10 points.

Lineup:

Magrath — Rice 22, Matkin 118, T. Alston 7, Pashuk 2, Coleman 3, Sabey 4, C. Alston 3, Anderson 2, Total 61

Raymond — West 29, Stevenson 24, Shaw 12, I. West 6, Gough 4, Dahl 10, Ralph 5, Brewerton, Total 98

Raymond Union Jacks IBL Champs

Len Rolfsen's skilful guidance payed off here in the Opera House Wednesday night as the home town squad captured the International Basketball League honors.

It was a proud moment indeed when when that lovely piece of silverware was presented to Mr. Rolfsen by Gordon Gregson, also each member of the team received a crest.

In a speech the coach said he was very pleased to be able to accept the and thanked the Lethbridge club for providing such a fine competition. In addition Al West was bestowed with the honor of top scorer in the IBL for the 1953-54 season with an average of more than 23 points per game. Hal Kronhite of New Dayton was next in line with a 22.7 average.

Before the game Golden Snow led the crowd of nearly 500 fans in a moment of silence in respect of the late sportsman Charlie Cheesman who for the last twenty years has been active in boxing, baseball, track, and basketball work.

The opening stanza proved to be the most profitable one for the visitors who for the opening five minutes of the game had the hosts hustling to keep up, however in the latter part of the canto Raymond pulled ahead and never gave a backward glance. They finished up the quarter with a 20-23 lead.

In the second frame the warriors of Bob Lindsay were literally swamped by the classy Raymond crew, both West boys hit their stride and Stevenson also began to roll. The Jacks finished up the stanza with no trouble at all and when half time gong sounded they were way out in front by a score of 51-33.

In the next go round Raymond rolled for 22 points while holding the Lethbridge to 15 to run the thirty minute score to 73-48.

Sham Stevens came back on in the finale to spark the club into life while at the same time Len Rolfsen turned lose his eager second liners. Consequently the visitors were able to click for 22 points although it didn't do them any good. They had the satisfaction of outscoring their hosts even if they didn't win.

The final score wound up at 89-70 which meant the Raymond Union Jack were the new International Basketball champions.

ALBERTA'S OIL POLICY
Orderly development and intelligent use of Alberta's oil resources, to best serve the interests of the people of Alberta and of the nation as a whole, is the basis of Alberta's oil policy. Your government is committed to these 5 main points.
1. To encourage orderly development to meet Canada's needs for petroleum products, and reduce dependence on the oil supplies of other nations.
2. To see that waste is prevented through the use of up-to-date engineering methods.
3. To establish prospecting and leasing regulations to encourage free and competitive enterprise and prevent monopoly.
4. To obtain for the people of the province a fair share of returns from oil production.
5. To assure fair and generous treatment for the owner of surface rights.
One-third of your government's revenue comes from oil and natural gas development. This money is allocated to capital expenditure and debt reductions that guarantee continued development and progress of our province.
That Alberta's Oil Policy is designed for the greatest good of the greatest number is now evident by our expenditures on capital construction and debt retirement, which in the past six years, have exceeded revenue from Oil Development by \$37,700,000.00. In addition, Alberta's oil industry is a major factor contributing to industrial development, population increase, better housing and distributing facilities, reduced prices for petroleum products, greater employment, payrolls and improved local markets.
